TAKEUCHI-US ANNOUNCES NEW DEALER IN SOUTHEAST REGION

Atlanta, GA: Takeuchi is pleased to announce that Atlantic Coast ToyotaLift, has joined the growing list of dealerships representing the Takeuchi line of compact track loaders, compact excavators, and compact wheel loaders.

Atlantic Coast ToyotaLift started in 1951 as part of Veneman Equipment Services Company, the first Toyota Industrial Equipment dealership east of the Mississippi River. The company later became Vesco Material Handling Equipment, Inc., and in 1999, became ACT (Atlantic Coast ToyotaLift).

ACT is able to provide all types of new and used equipment to meet anyone's construction needs. All equipment is available for sale, lease, or rent.

Atlantic Coast ToyotaLift has been able to develop life-long customers through quality customer service and experienced based solutions. Problems are solved by providing the right equipment with 24 hour-a-day, 365 days per year service. ACT features highly trained shop and road technicians, the latest diagnostic tooling, fully stocked service vans, and an average response time of an hour and a half. Warranty, maintenance, and service programs are offered to fit customer needs.

We look forward to this partnership and increased prosperity for Takeuchi, Atlantic Coast ToyotaLift, and the customers we serve.

Takeuchi is an ISO 9001 certified manufacturer of an extensive line of compact track loaders, compact excavators, and compact wheel loaders. Founded in 1963, Takeuchi was the first company to introduce the compact excavators to the North American market. Takeuchi continued to lead the compact construction industry with the introduction of the first compact track loader to North America. Dealers in the US and Canada help distribute the company's full line of mini excavators, compact track loaders, and wheel loaders.
